Re: RCRA Financial Assurance  
Kansas City, Kansas Facility  
EPA I.D. Number KSD000203638

Dear Mr. Hendey:

On March 20, 1990 KDHE received a demonstration of financial assurance from Ashland Oil, Inc. for the facility in Kansas City, formerly known as Olin Water Services. This documentation was reviewed and found to be acceptable.

Therefore, per 40 CFR 270.40 (b), KDHE releases Olin Corporation from the responsibility of demonstrating RCRA financial assurance for closure costs and liability coverage for the Kansas City facility. Olin no longer needs to submit the annual financial test demonstration for this site.

If you have any questions concerning this letter please call me at (913) 296-1612. Thank you for your cooperation with the hazardous waste management program in Kansas.

Sincerely,

*Brenda Clark*
